One-line pitch for leadership

Every employee pays ₹111 — revenue scales linearly with headcount. Complete bundle at ₹7,999 (vs ₹10,549 list) drives dual-product adoption. Prepay on 3/6/12 months locks cash and lifts LTV without eroding margin below 60%.

Why bundle still wins on profit

We discount ₹2,550 in revenue but Finance marginal cost is only ~₹950. Net: ~₹1,600 incremental profit vs HRMS-only at same headcount — plus dual-product lock-in.

Prepay trade-off

11% annual prepay = effective ₹7,119/mo with ~61% margin — acceptable for 12-month cash lock and lower churn.
